Briggs & Veselka Co. CPAs and Business Advisors

Trust Counts.

Our commitment is to provide clients with the highest quality and up-to-date services in a timely fashion. We are also committed to ensuring that they have an advisor who is ready, willing and able to answer questions, is proactive and innovative, while also providing them with the necessary audit, tax and compliance services they need.

Experience and specialized knowledge

- ▶ Audit, review and compilation of financial statements
- ▶ Tax planning and preparation services
- ▶ Merger & Acquisition due diligence and tax structure services
- ▶ Internal control studies
- ▶ Revenue enhancement and cost-containment services
- ▶ Review of potential research and development, export and other tax credits
- ▶ IRS representation and other related services
- ▶ Overall business consulting services

Examples of services in the Manufacturing industry

- ▶ Calculations to determine Section 263a allocations to inventory acceptable to the IRS
- ▶ Preparation of detailed compiled projections of future revenue and costs by product line and division to assist in negotiations of take or pay contracts
- ▶ Revenue enhancement and cost containment studies
- ▶ Comparison of company results to industry standards and year-by-year comparisons to help identify areas for improvement

Building your future

Choosing a CPA firm is only one of the many decisions you make for your business, but it can be one of the most important. We'll be happy to sit down with you and identify the best strategies to meet your needs and help you reach your goals.
